

Investing for Success

**Under this agreement for 2017
Burnside State School will receive**

\$250,000*

This funding will be used to

- Increase the number of students at or above National Minimum Standard in Reading, Writing and Numeracy.
- Extend the number of students operating within the Upper Two Bands of NAPLAN.
- Support students with positive behaviour support to promote learning.
- Continue to improve teacher expertise and capabilities through focused coaching, program development and professional learning.
- Promote positive wellbeing programs to support student engagement in learning.

Our initiatives include

- Utilising, reviewing and sharing data to monitor and focus on explicit improvement in Literacy and Numeracy.
- Using current data to inform teacher planning, moderation and explicit teaching to meet student needs.
- Implementing coaching and feedback to support quality teaching and learning across classrooms.
- Continuing to support identified individuals and groups through focused intervention strategies and quality classroom instruction.
- Implementing school based support programs to improve student learning and social outcomes.
