

Burnside State School iPad Program 2020

BYOD iPad Program Device Requirements

The follow items are required for the Burnside State School BYOD iPad Program in 2020.

Apple iPad

If you are purchasing an iPad, a brand new 2019 model **Apple iPad 32GB Wi-fi** from your chosen retailer is recommended. It is your choice to purchase any extra warranties, however it is highly recommended. If you already have a device to send to school, the minimum standard is an iPad 6th Gen 32GB WiFi (2018) or newer. The iPad may be purchased online or through a local supplier. Some retailers may be able to offer you a payment plan.

Apple iPad 2019 7th Gen 10.2" – 32GB / WiFi

iPad Rugged Case

The device needs to have a fully enclosed, shock proof, heavy duty protective cover with a glass screen protector built in.

Insurance

Parents are encouraged to provide personal insurance for their devices. Check with your preferred insurance company about personal insurance at home and to and from school for your iPad. We also recommend Apple Care+ for iPad which offers up to two years of expert technical support and additional hardware coverage including two incidents of accidental damage (subject to a service fee). For more information, visit <http://www.apple.com/au/support/products/ipad.html>

Carry Bag

A neoprene carry bag / protective sleeve is strongly recommended to protect the iPad in transit to and from school.

Headphones

Over ear or on ear headphones are required for the program.

Apple ID

Each student must have their own individual Apple ID. This is free and can be created at <https://appleid.apple.com/#!/&page=signin>
